MEMORANDUM FOR: Acting Director of Central Intelligence

FROM   : Clifford D. May, Jr.
                  Director of Data Processing

SUBJECT   : Participation in ODP Conference

Dear Mr. Knoche:

I was pleased to learn from Rosemarie that you are able
to accept my invitation to speak to the ODP staff during our
annual Office Conference. We hope to have a group of about
300 in attendance on 18 March, our opening day. The follow-
ing schedule has now been confirmed for this day.

     1300-1315 hrs.   Opening Remarks - Mr. May, D/ODP
     1315-1400 hrs.   New Directions for CIA - Mr. Knoche,
                      Acting DCI
     1415-1500 hrs.   The Intelligence Community - Mr.   **STATINTL**
                      McMahon, AD/DCI/IC
     1515-1600 hrs.   CIA Refresher - ████████████████
                      Briefing Officer/OTR

Regarding ideas you might want to cover in your talk, I
feel sure that you have a perception of some of the concerns
of young middle managers and representative groups of employees
regarding the future of the Agency, particularly as it may be
influenced by the new Administration, Congress, and our new
Director. Any comments you would care to make in this area
would be of great interest to us. In an area closer to home,
we are very interested in the MAG consideration of the four
ODP issues that you have identified. While I realize that much
work is needed before these issues are resolved, we would be
interested in your personal views on these issues. What makes
them issues? What are your views on ADP, both in the ODP context
and Agency-wide? Finally, you might look into your crystal ball
and give us your views on what you consider to be the major
challenges facing the Agency.

We are all looking forward to the 18th of March. Thanks
again for making time available on your busy schedule to speak
to us. Enclosed is a copy of the complete agenda.
